Huntsville Water Utilities Commission Meeting

July 18, 2024

The regular meeting of the Huntsville Water and Sewer Commission was held at the Huntsville Water Utilities office.

Call to Order

• At 3:58 pm, Chairman Roden called the meeting to order. All Commissioners were present. Commissioner Ellis's seat remained empty.

Approval of Minutes

• Commissioner Rogers made a motion to approve the minutes of the June meeting, seconded by Commissioner Ford. The motion was approved.

Old Business

• Mr. Davis reported that Abacus had not completed the audit in time to present it during the July meeting but would have it prepared for the regular meeting in August.

New Business

- Changes to pay scale structure were presented to the Commission for review. Chairman Roden requested that it be moved to the August agenda for approval.
- Mr. Davis reported that the water department should consider entering into an on-call contract with one
 or more contractors to better comply with state bid requirements for more expensive repair projects. The
 Commission instructed him to investigate the option and report back in August.

Other Business

- In other business, Mr. Davis requested permission to donate a 2205 Chevy Silverado to Huntsville High School so that the students could fix it up during shop class. He noted that the last vehicle the utility sold of this quality only brought in \$200 and he felt the truck would be better donated than sold for that amount. Commissioner Rogers made a motion to approve the donation if determined legal to do so, seconded by Commissioner Ford. The motion was approved.
- The Commission requested that Mr. Davis report in August on the tank loans and their respective interest rates to determine where to apply anticipated grant funds from the state ARPA program.

At 4:46 pm, the Commission entered executive session.

At 4:53 pm, the Commission exited executive session, announcing that personnel was discussed but no action was taken.

Adjournment

• Commissioner Brashears made a motion to adjourn the meeting, seconded by Commissioner Ford. The meeting adjourned at 4:56 pm.

All members of the Planning Commission and the City Engineer were present. The Director was absent, and Dan Marsh from the Record was present. There were no members of the public and thus no comments. The meeting was closed at 6:05.

CALL TO ORDER

The regular meeting of the planning commission came to order at 6:05 P.M.

ROLL CALL

All members of the Commission were present. Director Thomas was absent, and Engineer Presley was present.

APPROVAL OF MINUTES FROM LAST MEETING

Commissioner Willis made a motion to accept the minutes. Commissioner Yates seconded the motion and all were in favor of accepting the June 2024 minutes.

APPROVAL OF THE AGENDA

Commissioner Davis moved to amend the agenda by adding information about the bridge crossing the Town Branch from Missouri St. to AR Hwy 23 under old business.

PUBLIC COMMENT

NEW BUSINESS

Commissioner MacLean moved to approve the rezoning of 11.059 acres of the Tony Reynolds property on Harmony Road from Residential Estates to the Dual Use Zone. Commissioner Malloy seconded and all were in favor. Commissioner Davis moved to approve the rezoning of the Duane Glenn property along Hwy 412 from Industrial 2 to Industrial 1 zone. Rezoning requirements have been met and a public meeting had been held prior to the last City Council meeting. Commissioner Willis seconded and all were in favor.

OLD BUSINESS

City Engineer Presley presented lateral and aerial drawings of the preposed bridge leading from the Highland Subdivision to Hwy 23. The bridge is designed to withstand a 25 year storm. The Town Branch drains 2300 acres and would have 3000 cubic feet of water in a 25 year storm. In the event of a greater storm, storm water would over top the bridge and flow between the bridge and Hwy 23. The Mayor asked for a second opinion about the bridge design and it is expected soon.

ANNOUNCEMENTS

ADJOURNMENT

Commissioner Willis moved to adjourn. Commissioners Malloy and Davis seconded, and all were in favor and the meeting adjourned about 6:40 P.M.
